WALKER SAFETY TIPS

- Plan your child's school route. Once planned, walk the route with them until they become familiar with the route.
- Students should always cross the street at a corner or a crosswalk.
- Students should look left, then right, and then left again before crossing the street.
- Younger students should walk with an adult or older student until the age of ten.
- Students should always walk with a friend or in a group. Do not walk alone.
- Students should always walk on designated sidewalks and pathways identified as a safe walking path.
- Remind your student not to **run** in the street for any reason.
- **Students should not** listen to music, talking or text, play games, or watch videos on their phone while walking in high traffic areas or crossing the street.

Obey traffic signs, signals, and adult school crossing guards.
